

SHAKTI WORLD RETREATS

The Energy Wheel

7-day yoga retreat in Ibiza

11-18 October 2020

Deepen your yoga practice and take time out for yourself on this rejuvenating, relaxing and blissful retreat

Join us for a 7-day journey of yoga practices in an **enchanting villa** in the north of **Ibiza**. Take a break from your daily routine, connect with nature and like-minded people and take the opportunity to deepen your yoga practice under the guidance of our dedicated teachers, Elena and Franziska.

We will practice yoga in the morning and evening on our **yoga deck**, which offers **sweeping views** over green pine tree hills and down to the shimmering sea.

After a delicious, **healthy brunch** each day, you will have time for yourself to sunbathe by the pool or **explore** some of the wonders that the island has to offer. Casa Shakti is surrounded by **idyllic beaches**, **hiking trails** in nature and Las Dalias, the island's most famous **hippy market**, is just a short walk away.

We organize, coordinate and are present at each retreat to make sure everything runs smoothly and you are well taken care of.

Our retreats are open to all levels so you don't need to have experience with yoga, meditation or breathing practices to participate. Everyone is welcome!

The Program

The retreat will start at 6 pm on October 11th 2020 with an opening circle in the evening before the welcome dinner. We will say our goodbyes on October 18th after brunch.

We will start each day with a two-hour yoga practice on the b followed by a delicious, healthy brunch served on our dining terrace.

You will then have **time for yourself** to discover what makes Ibiza such a special destination - from gorgeous beaches and **lush evergreen forests** to year-round blue skies and **towns steeped in history**. We know the island inside out and will be happy to suggest places for you to visit and things for you to do during your stay with us.

As the day starts to wind down, we have our evening yoga class by the pool before enjoying dinner together.

During our asana practice, we will concentrate in particular on **learning about the chakras** and how these **energy centres** affect the body. From the root chakra that connects us to the earth, allowing us to become grounded and more conscious of our own body, to the crown chakra that connects us to our higher self and divine energy, each day we will focus on one of these energy centres to awaken our awareness and learn about the subtle levels on which they operate.

Alongside the physical practice, we will also practice daily with a number of different **pranayama techniques** (breathing exercises), experiencing first hand their wonderful benefits and why we consider them an integral part of our yoga practice.

Our aim for this retreat is to help you and take your yoga practice to the next level. Physically you will gain strength, flexibility and relaxation, mentally your mind will become clearer and more peaceful and psychologically you will become more aware whilst gaining insight into yourself.

We can't wait to share this journey with you!

To complement the experience we have included a complimentary **full body massage** by one of Casa Shakti's wonderful, in-house therapists. We're sure you will love it!

The Teachers

ELENA RAVASI

Elena is one of the founders of Ibiza Yoga Get Away and Shakti World Retreats and the manager of beautiful Casa Shakti Ibiza.

She is a **Hatha Yoga teacher** who has been practising yoga for the last 18 years. Since November 2009, she has been attending the **Himalayan Yoga Teacher Training** under the direct supervision of Swami Veda Bharati and joining regular retreats in India.

In Elena's Yoga classes, great importance is given to the **preparation of the breath, relaxation techniques and meditation**. This will help you to let go of any tension built up after a stressful time and to restart your life **calmer**, with **more energy** and with a **clearer head**.

She also brings a **spiritual element** to her teaching and encourages you to expand your awareness both individually and collectively.

The physical practice together with relaxation and meditation, help **stimulate your creativity, re-balance your emotional state and improve the quality of your sleep**.

She has been teaching in Ibiza since she moved there in 2011 and is now settled in her yoga paradise, in the hills with her horses and cats.

She is also a student and practitioner of Natural Horsemanship as a way to rehabilitate horses who have experienced physical and psychological trauma.

FRANZISKA EISENBERG

We are really excited to be welcoming Franziska back for a second year to teach on another chakra retreat. Her passion, upbeat energy and teaching style were a big hit with the students.

Since experiencing her spiritual awakening on a retreat in Morocco, Franziska's life has been shaped by yoga and meditation and passing on its magic to students.

Her teaching style incorporates **active classes** with **restorative and mindfulness practice**, always giving importance to **gentle realignments** and adjustments and to **bringing the breath in sync with the movement**.

Whilst challenging you physically, Franziska's classes also gently encourage you to go a little beyond you think what you can do!

Our Yogi Support

ROSIE RANDISI

Rosie is the other half of Shakti World Retreats' founding duo and our **all-round amazing Yogi Support** – taking care of anything from our website and social media content to guest relations and retreat logistics; all with her **trademark positive vibes**. Alongside Elena, she will be making sure that **everything runs smoothly** during the retreat, that all our guests are **well taken care of** and that all the little details are in place.

Rosie discovered yoga quite late in her life and felt an instant and powerful connection to it that continues to grow. From trips to India to study with the masters to taking part in and co-hosting many retreats, yoga is now a central part of her life and she looks forward to sharing its many benefits with you on the retreats!

She is also a **professional photographer** and has been documenting life at Casa Shakti and on our retreats for many years.

Rosie moved to the island with her husband in 2012 and they have never looked back, fully embracing the island's energy, nature and outdoor lifestyle. You will often find her **exploring the island** with her walking group friends and her beloved camera.

The Location

The retreat is held in our authentic **17th-century farm**, Casa Shakti, nestled in the hills behind the town of San Carles de Peralta, **surrounded by nature** and the scent of lavender and rosemary.

There are several terraces for relaxing and enjoying the views and a lovely cobbled courtyard that leads up to the gorgeous **swimming pool** with jacuzzi and **spectacular sweeping** views over the valley and out to the sea.

Large century-old terraces are devoted to organic cultivation and to housing four lovely **rescue horses** Arachana, Apache, Beauty and Indigo as well as miniature pony Rocco.

Casa Shakti has a yogi heart of its own – with its wonderful energy, its yoga deck, pool and terraces, vegetable gardens, horses, cats and chickens, it's the perfect place to host this very special retreat.

The closest **beach**, beautiful Cala Nova, is 2km/25min walk away.
The famous **hippie market** of Las Dalia, in Sant Carles village, is only a 10-minute walk away.

The Wholesome Food

To ensure that this will be a real transformative week, we will observe certain food guidelines by following a sattvic diet, according to traditional yoga practices.

We will, therefore, use all those ingredients that help to **maintain a balanced physical, mental and emotional state**: fruit, vegetables, pulses, wholemeal cereals, fresh non-packaged ingredients, nuts and seeds.

The food we serve will be **vegetarian** (100% vegan on request) and most people are pleasantly surprised by how delicious and satisfying it can be. It is also of **low gluten content** as we experiment with flour other than wheat.

When we use eggs and dairy products, they are from a **local, trusted dairy farm**.

If you have any specific food intolerances, please email us in advance to let us know and we will do our best to provide tasty alternatives.

Mealtimes are always a great opportunity for us all to get to know each other and to share stories and experiences together.

Brunch will be served at 10:00 and dinner at 20:00, both following the yoga and meditation practice.

We look forward to sharing this time with you all!
